Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY 20 10:23

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Please consider my concerns!
For the last 5 years I have been using an
individually prepared prescription from
Madison Pharmacy which was prescribed
by my physician Just For My Needs!
I have been extremely satisfied in that
I have had no side effects, my symptoms
are relieved and most of all, I feel good
about the fact that I am taking natural
Hormone Replacement Therapy.
Please put a stop to FDA's proposal.
"One size prescriptions do not fit all."
We are all individuals and our needs
differ.
